February 2026

Neighborhood Forest

As in years past, we are partnering with Neighborhood Forest to provide one free sapling tree per child. Also, new this year, you have an option to buy a tree as a supporter. This means you can purchase additional trees, or purchase a tree even if you don't have a child. We don't know yet what type of tree we will get. In the past we have received red cedar, white birch, and white pine. Trees should be here around Earth Day (April 22nd) and we will contact those who register for a tree when they arrive. They must be picked up at the library.

If you have any questions, please contact us:
knoxpubliclibrary@gmail.com or 814-797-1054

Register here:

During registration, please be sure to scroll down and click "Next" through all the screens until you reach a "Thank you for registering" message. You should also receive an email message confirming your registration.

Read With Your Librarian

2026's Read with Your Librarian theme "The Books that Shape Us" honors America's 250th birthday by highlighting books influential in shaping America. Titles were chosen from the list featured in the Library of Congress' 2012 "Books that Shaped America" exhibit. February's selection is *Their Eyes Were Watching God* by Zora Neale Hurston. Read with Your Librarian is an initiative of the Oil Creek Library District. Learn more and sign up for the Read With Your Librarian newsletter here: <https://oilcreek.org/rwyl/>

Did You Know?

We have a Flag Retirement Box on our front porch. You can stop anytime, even when we are closed, to leave your worn United States flag to be retired respectfully.

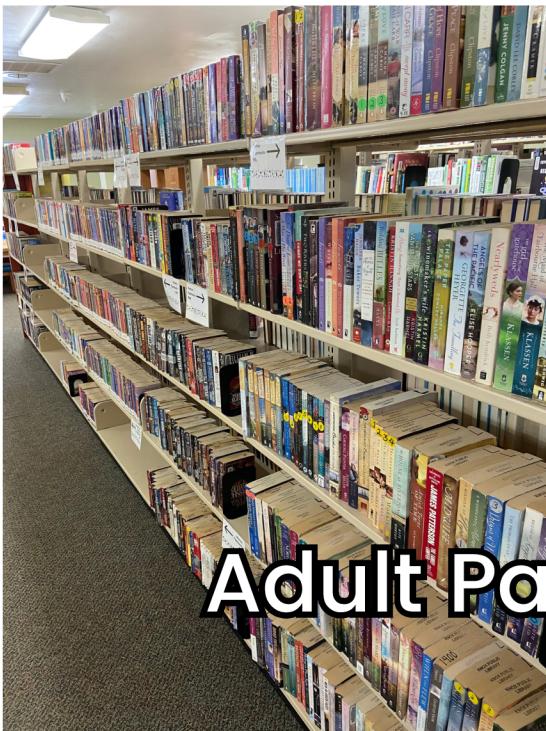

Would you like to donate specific items that we need at the library? Check out our Amazon wish list: <https://tinyurl.com/47t383ah>

Just browse the list and add an item to your cart. Then continue shopping or proceed to checkout. To complete your order, follow the on-screen instructions. If you'd like, you'll have an opportunity to enter a gift message. Thanks to all our patrons for your support in the past and in years to come!

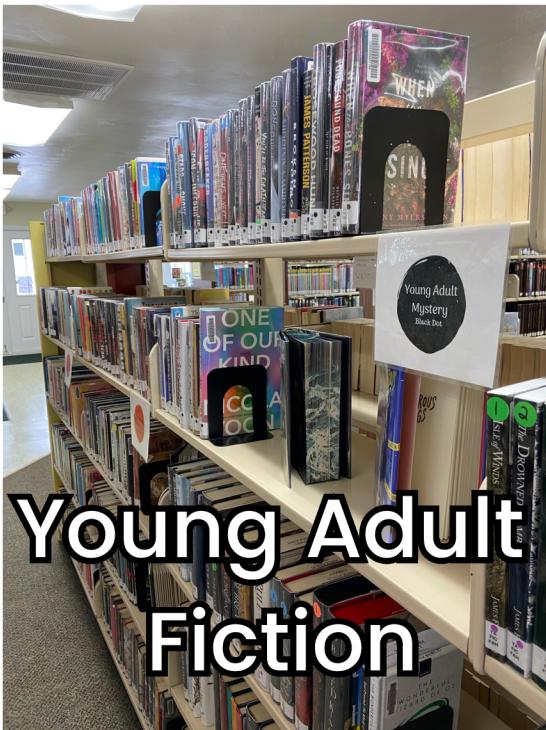

We've Done it Again!

Just when you thought you knew where to find everything in the library, we've gone and moved things again! But we think this reorganization will help to make it even easier to find what you're looking for. We've gotten rid of the spinning racks that held paperbacks and some of our Young Adult books. These collections can now be found (with signs) on one long shelf in the central part of the library. This shelf includes adult paperbacks, juvenile intermediate paperbacks, and all of the young adult fiction. If you have any questions about where to find something, please don't hesitate to ask!

Winter Weather Policy

If the Keystone School District closes for winter weather (snow or ice), the Knox Public Library will also be closed that day. Delays do not affect our openings. You can also check social media for closure information. Stay safe this winter!

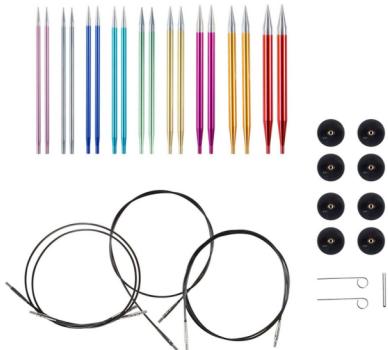

Used Book Sale Clearance

We will hold a Clearance Sale Monday, February 2 through Saturday, February 7. All items in the Used Book Sale will be one dollar per bag! Stop in during open hours and stock up on winter reading material.

Library of Things

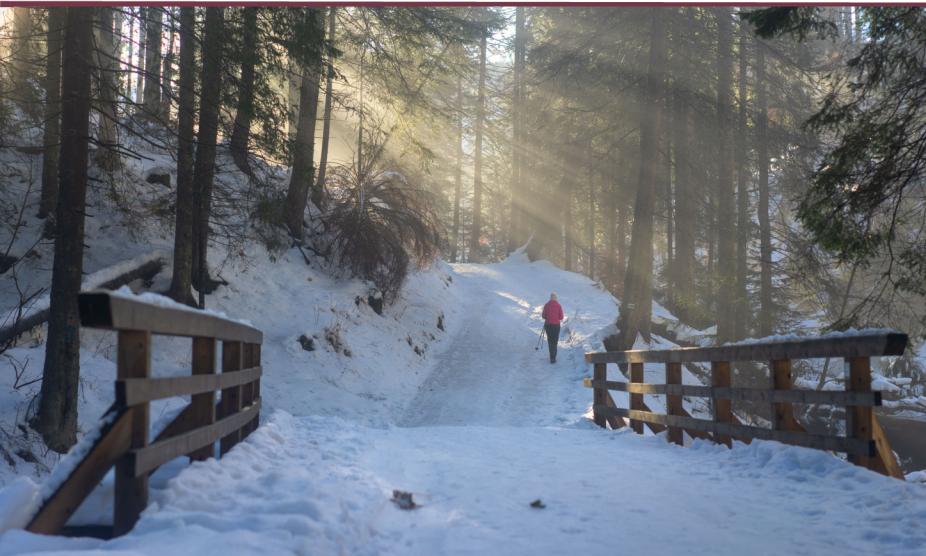

Too cold outside? Learn something new while staying cozy. Snuggle up inside with a needle set from our Library of Things and an instructional needlework video on Craftsy (available through Libby: <https://libbyapp.com/library/oilcreek>). All of this for FREE with your library card! (You supply the yarn.)

Browse the Library of Things at <https://knoxpubliclibrary.org/library-of-things/> or stop in the library to learn more. Any Clarion County library patron with an adult (18+) library card in good standing can borrow items for two weeks. First time borrowers will need to sign a waiver.

This collection is made possible by a grant from the McElhattan Foundation.

New This Month

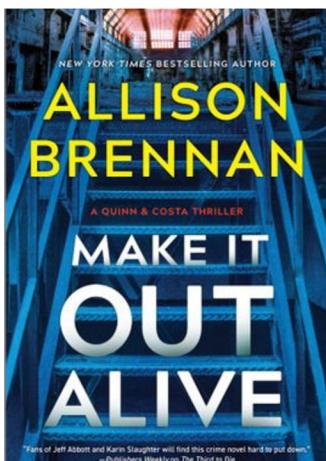

Release Date:
November 25, 2025

"The human "oddities" in the Museum of the Strange are less wondrous than the gawking rubes had been promised. But Alida is something else. The real thing. Traveling Depression-era America from carnival midways to speakeasies, Alida is resigned to an exploited and lonely life on the road as the museum's golden ticket. Until she's rescued by two compassionate strangers.

Franklin and Loretta Fairchild see in Alida a gifted and uncannily well-read girl in need of a loving touch and a family. With the openhearted couple and their three precociously imaginative children, Alida finds it. Yet despite everyone's overwhelming generosity and acceptance, Alida knows she is still a very different kind of girl. Her dreams bear that out. They're vivid, unsettling, and threatening. Alida fears that they're also warnings. And that it's the Fairchilds who may need rescue from a bad, bad world.

Alida will do anything to help those she now holds nearest and dearest. Empowered with a purpose to vanquish evil, she will not fail her family."

"Three newlywed couples have disappeared from an exclusive resort in Florida, only to turn up dead soon after. With the location and the similarities between the female victims as their only leads, it's up to the FBI Mobile Response Team to catch a serial killer before anyone else ends up dead. And they have the perfect bait—Detective Kara Quinn, who bears an uncanny resemblance to the targeted women.

Undercover as newlyweds pretending to enjoy their honeymoon, Kara and FBI Agent Matt Costa set a flawless trap. When their plan works and they arrest the predator, Matt sends the rest of the team home so he and Kara can have the weekend for some much-needed R&R. But on Monday morning, the couple doesn't show up to work, and the MRT learns they never checked out of their hotel.

As their team tries to find them, Matt and Kara learn the truth—the killer wasn't acting alone. He had a partner who succeeded where he failed. Kidnapped and forced into a twisted escape room, they need to find a way out, because if they don't escape, they'll die."

Early Literacy Corner

You can promote early literacy through easy, everyday activities. Here are some ideas! It's more than reading.

Stories--February 6 is the start of the Winter Olympic Games! Ask your child what even she would participate in if she were there.

Play--Fold up white coffee filters and cut different shapes into them to amke one of a kind snowflakes.

Math--Organize candy hearts by color. How many of each color are there?

Writing--Happy Valentine's Day! On February 14, help your child draw or write some of the things he loves on paper hearts.

Songs--Sing a song together in a very high voice. Then do the same thing in a very low voice instead.

Science--February 22 is the start of Engineers' Week! Challenge your child to create bridges out of folded pieces of paper and test which shapes hold the most weight.

Sounds--Warmer weather is on the way! Ask your child what a hibernating bear sounds like when it wakes up in the spring.
